Dear Mr. Secretary General,

Vienna, 23 January 2014

Regarding the forthcoming meeting of the Secretaries General of the European Union Parliaments in Vilnius on 26-27 January where IPEX-related issues, including the approving of the composition of the IPEX Board, are on the agenda I am pleased to indicate on behalf of the Austrian Parliament (Nationalrat and Bundesrat) that Austria is prepared to become a member of the IPEX Board.

Austria is willing to contribute to IPEX activities and its important initiatives within the Board and to foster inter-parliamentary cooperation through IPEX.

Looking forward to our meeting, I remain

Yours sincerely
